COMPRESSION FITTINGS
DOUBLE RING

Double ring compression fittings for high pressure

megalak®

WELDING ACCESSORIES

Fittings for welding tubing

meceweld®

THREADED FITTINGS

Threaded fittings for high pressure

meceprim®

ACCESORIOS ACERO FORJADO

Forged steel fittings

SERIE 3000

SERIE 6000

NEEDLE VALVES

AM

Needle valve with locking system
Back Seat

B10.000

High pressure and temperature

MEGALDAP

Para paneles de instrumentación

Pressure gauge taps

for compressed
compressed air and liquid
at low pressure

NEEDLE VALVES

Manifold Type Valves for Regulating - 6,000 psi (420 bar)

BALL VALVES

2 way (3,700 psi)

3 ways (3,700 psi)

**2-way and 3-way PN 500
(6.000 psi)**

Series 1 (1,000 psi)

Monoflanges double

POTS AND COLLECTORS

Air distribution manifolds
according to PED 2014/68/EU

Condensing and sealing pots
according to standards PED 2014/68/EU

TUBING

Tubing A. Stainless

Copper pipe
Copper pipe with PVC insulation

Technical Plastics
Special alloys

PRESSURE

Pressure gauge

Differential pressure gauge

Pressure gauge with clamp spacer

Pressure gauge with contact

PRESSURE

Pressure switches

Differential Pressure transmitter

Digital Pressure transmitter

Digital Pressure transmitter

TEMPERATURE

Thermometer

PT-100 Probes

Thermostat

TiXo Temperature Converter

LEVEL

Magnetic level indicator

External Chamber
